

## **PERSONAL CARE PROCEDURES**

- If you are feeling sick, STAY HOME
- Temperatures will be taken upon arrival. If there is a temperature of 101.00 or above you will be sent home.
- Hand sanitizer will be used upon arrival.
- Masks are recommended.
- NO FOOD will be allowed. Water will be available in single-serve cups that need to be disposed of immediately after use.
- Adhere to social distancing.

## **CLEANING POLICY/PROCEDURES**

- Wear reusable or disposable gloves for routine cleaning and disinfection.
- Practice routine cleaning/disinfecting of frequently touched surfaces. High touch surfaces include Tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, game controllers, faucets, sinks, etc.
- Between “shifts” and at closing re-clean/disinfect frequently touched surfaces, vacuum, and take out the garbage.
